END OF YEAR ACTIVITIES

Dear Parents and Carers,

With SATs now beginning to come into view, we are also very aware that the final chapter of your child's time in Year 6 is approaching.

As always, our aim is for our Year 6 pupils to finish their primary school journey on a high, with a positive, memorable and enjoyable Term 6. To support this, we are currently booking a range of end-of-year activities which will take place throughout Term 6. These activities will mainly be scheduled on Fridays, giving pupils something additional to look forward to at the end of each week.

The programme is a carefully planned mix of experiences, some requiring coach travel and others involving train journeys. The range is deliberately broad, designed to engage all pupils and provide a variety of memorable opportunities. Some activities may be familiar from previous years, while others are new additions, ensuring a fresh and exciting programme for this cohort.

We are very mindful of financial pressures on families and have worked hard to ensure that this package represents strong value for money. We will therefore be asking for a voluntary **contribution of £180**, which is a one-off payment covering all planned activities. This total also includes the cost of the Year 6 leavers' hoodie and a ticket to the end-of-year Brookfest celebration, meaning there will be no additional charges for these events later in the year.

The Year 6 Fundraiser team have made a positive contribution towards supporting some of these experiences already, and we are grateful for their efforts. Your work has helped enhance what we are able to offer, alongside careful planning and budgeting by the school.

As with all enrichment activities, if we are unable to generate sufficient contributions overall, it may not be possible to proceed with some elements of the programme. We therefore ask that payments are made by **14th June 2026**, unless alternative arrangements have been agreed in advance. The payments will be added to your ParentPay accounts on Monday 26th January.

If you have financial concerns that may impact on your ability to contribute, we have set the payment up with an option to chip away at the balance, making it more flexible than instalments. However, if there are still further financial concerns, please do not hesitate to speak to us in confidence.

Thank you, as always, for your continued support.

Nat South & the Year 6 Team
