Year 3 Parent Meetings

16th September 2025

Dear Parents/Carers,

It has been a real pleasure welcoming our new Year 3 children to Brookfield Junior School. They are already settling well into the routines of junior school life, and we have greatly enjoyed getting to know them both in the classroom and on the playground — even with the continuous rainy weather!

To help us understand your child as a whole person, we would like to invite you to a short meeting (around 10–15 minutes) with a member of the school leadership team. These meetings are **not about academic progress** — instead, they are designed to give you the opportunity to share what makes your child unique: their hobbies, interests, personality, and any details about home or family life that might help us support them emotionally and socially, as well as academically, during their time with us.

We believe that strong home–school partnerships are key to every child’s educational journey, and these conversations will allow us to begin building that relationship with you right from the start.

Meetings will take place during September, usually at the start or end of the school day. Please use the table below to indicate when you would be available. Once we have collated responses, we will confirm your allocated time via Class Dojo.

There is, of course, no obligation to attend; however, we really hope many of you will take up this opportunity. We introduced these meetings with Year 3 last year and found them to be a fantastic way to build that early link with parents and to get to know the children on a deeper level, beyond the classroom.

Thank you, as always, for your support.

Mr South, Mrs Prince & Mrs Freeman
