

Conduct in School

Act as an excellent role model for our children. Be caring and respectful to all adults and children in school. Dress in a smart, appropriate manner.

Confidentiality

Ensure that you maintain high levels of confidentiality. If you are in any doubt about sharing information, or you have any concerns, then seek the advice from any of the designated safeguarding team.

Photographs should only be taken on school equipment and only shared in accordance to parental preference.

Fire Safety

In the event of a fire, the alarm will sound continuously. Everyone should evacuate the building immediately and assemble on the playground.

First Aid

The majority of staff in school have undertaken first aid in the work place training. The school office is the first place to go for assistance.

- Ice packs are kept in the fridge in the Medical Area.
- First aid kits are located in the Medical Area and in the Office.
- Children who have bumped their heads should have a note to inform parents.

Staff with higher levels of first aid training are Sarah Butterworth and Fliss Hanes.

Finally...

- All children have the right to be protected.
- The prime concern at all stages should be the interest and safety of the child.
- Where there is conflict - the child is paramount.
- The responsibility to refer a concern belongs with the person who has the concern.
- If in doubt –consult.

Thank you

Brookfield Junior School

Nat South - Headteacher

Hannah Prince – Deputy Headteacher

Gabby Gray– Family Liaison Officer across the Federation

Erika Cross— Safeguarding Governor across the Federation (07775 606625)

Safeguarding Children and Young People

If you have any concerns about a child protection issue, welfare or safety of a child, then report it to a member of staff as named above.

Safeguarding Statement

As part of The Flourish Federation we are committed to safeguarding and promoting the welfare of all children, and requires staff, volunteers and visitors to share this commitment.

This leaflet explains our expectations of all adults within our school, including visitors. If you are concerned about any child in our school, please speak immediately to the Headteachers or a member of SLT
If you are concerned about the conduct of any staff member or volunteer in our school, please speak immediately to the Headteachers or a member of SLT
If anything is unclear, please talk to one of the contacts in this leaflet.

Different Types of Harm

There are four different categories of abuse.

- **Physical abuse** - when a child is deliberately hurt or injured.
- **Emotional abuse** - when a child is made to feel worthless, frightened or unloved. Being shouted at or threatened or witnessing violence or abuse.
- **Sexual abuse** - when a child is influenced or forced to take part in sexual activity. This can be physical or non physical activity (images).
- **Neglect** - when a child is not being taken care of; this may include poor hygiene, poor diet, being left alone, not coming to school, missing appointments with other agencies.

(More information on these can be found in the Kent Safeguarding leaflet.)

Child abuse can potentially happen to all children, irrespective of gender, age, social background, culture, religion, or disability.

Awareness is essential.

Keeping the Building and Site Secure

All visitors must wear an identification lanyard.
All volunteers must have an up to date DBS check.

All visitors must be signed in and out at the Office.
Any child who leaves the building during the school day must be signed out by a parent/carer.
Teaching staff dismiss children at their classroom doors at the end of the day to ensure all their children have been collected.

Children wait in the library or office if they are being collected after 3.20pm.

Please help us with extra security by shutting the school site gate when you enter or leave the site! Thank you!

There may be an occasion when a child makes a disclosure to you. **It is very important that you adhere to the following advice in order to ensure that the situation is dealt with effectively.**

The golden rules for dealing with a disclosure

Do

- Listen carefully
- Clarify if necessary
- Stay calm and reassure
- Make accurate notes using the child's own words
- Inform your Safeguarding Lead
- Seek support for yourself

Don't

- Don't ask leading questions
- Don't use your own words to describe events
- Don't investigate
- Don't promise confidentiality

ON-LINE SAFETY

All of our children are taught how to stay safe online.

©2003-2010 Hector's World Limited under licence. All rights reserved.

The Infant children learn through Hector's World and our Junior children follow the adventures of Kara, Winston and the SMART crew to help keep them safe on-line.
