I can talk about how to prepare it and why it is healthy	
Evaluating	Discuss how their/their peer's work makes them feel, what they like, what they might change.
I can discuss work against the design criteria	

Cross-Curricular Links
Art and DT links throughout most subjects in the curriculum. We use Art and DT to create exciting opportunities in other subject areas, for example:
RE—children draw and create in the style of the religion that they are learning about
History—Recreating and evaluating previous work
Geography— Using the world around them to inspire or create different art work
Writing— Drawing pictures to go with their writing
Science— Testing different materials
Computing— Creating designs on the computer. Taking photographs of their work, watching video tutorials
