Cross-Curricular Links
Art and DT links throughout most subjects in the curriculum. We use Art and DT to create exciting opportunities in other subject areas, for example:
RE—children draw and create in the style of the religion that they are learning about
History—Recreating and evaluating previous work
Geography— Using the world around them to inspire or create different art work
Writing— Drawing pictures to go with their writing
Science— Testing different materials
Computing— Creating designs on the computer. Taking photographs of their work, watching video tutorials

Experiences/Wow Moments
Cultural Week— Children will be learning about different cultures and participate in art activities to do with their culture
Hall display—each child contributes to the large hall display
