

The Flourish Federation—Knowledge Organiser

Brookfield Infant and Junior Schools

Subject Focus:	Rotation 1—Turn a Page Art—Collage DT—Technical knowledge, Making	Year 1	Term 2
-----------------------	--	---------------	---------------

What? (Key Knowledge)	
Collage	Know about some adhesives and decide which would be best for the task, engage in cutting and sewing, sorting materials
I can make a stain glass window using tissue paper and glue	
I can test which adhesive is best to use	
Technical Knowledge	Know about different materials, mechanisms, how to make designs stronger using technical language
I can test different materials and mechanisms to see which would work best to make a moving puppet	
Making	Create using different methods and explain choices
I can use different materials and mechanism to make a moving puppet	
Evaluating	Discuss how their/their peer's work makes them feel, what they like, what they might change.
I can discuss work against the design criteria	

What? (Key Vocabulary)	
Spelling	Definition
Collage	A piece of art made by sticking various different materials such as photographs and pieces of paper or fabric on to a backing
Materials	The matter from which a thing is or can be made
Criteria	A principle or standard by which something may be judged or decided
Cutting	Remove from something larger using a sharp tool
Adhesive	Glue or sticking materials
Technical Knowledge	Knowledge relating to a particular subject or technique
Mechanisms	A system of parts working together to make
Evaluating	To assess something

Experiences/Wow Moments
Hall display—each child contributes to the large hall display
Christmas crafts—tree decoration
Christmas cards

Cross-Curricular Links

Art and DT links throughout most subjects in the curriculum. We use Art and DT to create exciting opportunities in other subject areas, for example:

RE—children draw and create in the style of the religion that they are learning about

History—Recreating and evaluating previous work

Geography— Using the world around them to inspire or create different art work

Writing— Drawing pictures to go with their writing

Science— Testing different materials

Computing— Creating designs on the computer. Taking photographs of their work, watching video tutorials
