Technical Knowledge	Know about different materials, mechanisms, how to make designs stronger using technical language
I can test different materials for strength and choose the most appropriate material for a purpose	
Evaluating	Discuss how their/their peer's work makes them feel, what they like, what they might change.
I can discuss work against the design criteria	

What? (Key Vocabulary)	
Spelling	Definition
Textiles	Industry using cloth
Design	Purpose or planning that exists behind an action
Technical Knowledge	Knowledge relating to a particular subject or technique
Evaluating	To assess something

Experiences/Wow Moments
Elmer decorating—To support the Heart of Kent Hospice charity we have got a large Elmer the Elephant model that the children will be decorating this term Cultural Week— Children will be learning about different cultures and participate in art activities to do with their culture Hall display—each child contributes to the large hall display

Cross-Curricular Links

Art and DT links throughout most subjects in the curriculum. We use Art and DT to create exciting opportunities in other subject areas, for example:

RE—children draw and create in the style of the religion that they are learning about

History—Recreating and evaluating previous work

Geography— Using the world around them to inspire or create different art work

Writing— Drawing pictures to go with their writing

Science— Testing different materials

Computing— Creating designs on the computer. Taking photographs of their work, watching video tutorials
