

School Council Meeting

Date:	Agenda	School Council Discussion Summary	Action Points
02/10/2025	Introduction to the Well-being School Council	Playground Equipment Concerns The children were eager to raise the issue of broken scooters. They expressed concern about the condition of the equipment and its impact on playtime. Behaviour and Anti-Bullying Week A conversation emerged around playground behaviour. This led to a discussion about Anti-Bullying Week, which is coming up in November. The children showed enthusiasm for participating in class activities and suggested inviting a visitor to support the event. Pupil Voice and School Council Book The children wanted to have a School Council Book where they can write down ideas and suggestions. This would serve as	- Mr South joined our meeting at that point of discussion and told the children that he has new wheels for the scooters and the allen key that he was waiting for had arrived so they will be fixed shortly. - I will speak with Mrs Smith RSE lead to see what is available for the children and how they can get involved. - To discuss with Mr South

School Council Meeting

	a dedicated space to amplify pupil voice. • Poster Design for Playground Care The children expressed interest in designing posters to promote care and responsibility for playground equipment. They want to encourage others to look after shared resources.	• Project to start in our next meeting
