

School Council Meeting

Date: 10/10/2024	Agenda	Minutes	Action Points
	The well-being school Council	The session was begun by the children introducing themselves and we discussed what role the children would play emphasising the importance of listening to one another's views. We discussed what we had achieved from last year. Ideas put forward for today • Discussions around being healthy and how we encourage others in school to eat more healthily • Friendships/kindness. • School survey to hear the pupils voice about the well-being of the children in school. • The Buddy Bench • More balancing things outside on the playground	Research required so further discussion needed, then speak to Mr South Children are thinking of questions they would like to ask then we will put a survey together Speak with Mr South Will pass onto the environment council as they may already have a list
