22/01/2024 How is the general well-being of the children in school and how can we help one another?		• General discussion on how everyone is feeling and what to do if you are or any of their friends are feeling a bit low. We talked about how to boost your self-esteem. • The children led a discussion around having a buddy bench or sign. • Resources for the Outdoor Classroom. • Wiggle breaks and what they do during them. • No speaker has been put up yet outside.	• Speak with Mr South about buddy bench/sign. • I have suggested to the children that in our next meeting we can start to design posters for a buddy sign. What do we want written on it? • Remind Mr South about the speakers. • I have reminded the children to speak with their friends to see if they would like anything raised. • Mr South is going to speak to some of the children in our school council to see if they can come up with a name for one of the areas that we will be using for meetings in the future.
