

School Council Meeting

Agenda	Minutes	Action Points
19.11.25 Environment Council - The Hive	In today's meeting, we discussed the following: Dojo prizes: What other dojo prizes would you like to spend your points on? • Larger rubbers (they like the mini rubbers) • Fidgets to use at home • Stamps • Hot chocolate • Extra break • Games/Geek Zone (additional time) • Film afternoon We also spoke about 12 things they'd want to achieve before they're 12 years old as a possible new in-school challenge. The children had the following ideas: • Learn a new language • Visit a zoo/theme park/castle/beach • Plant something • Dress up for the day • Visit a farm and pet an animal • Spend the day making crafts • Overcome a fear We also discussed anything else their classes have mentioned linked to the Environment Council we can address: • The main idea was around paper recycling as many children are still passionate about recycling paper and doing this consistently to help the environment.	Email Mrs Prince with the Dojo prize ideas. Discuss paper recycling with Mr South.
