16.10.25 Environment Council - The Hive	In today's meeting, we went on a walk around the school to decide the best location for our School Council display and where we should place our suggestion box. The children said that the display needs to be somewhere where lots of children pass. <u>Next steps:</u> Introduce these in assembly for next term. - The School Council would like 3 different suggestion boxes for each of the councils instead of having just one. <u>Additional suggestions</u> - More litter picking and tree planting with Tania	Assembly for next term to introduce the suggestion boxes. Year 6 Councillors to ask Mrs Barnes and Mrs Amos if we can use the Year 6 display board.
