

School Council Meeting

Agenda	Minutes	Action Points
23.1.25 The Hive - Environment Council	<u>Action points from previous meeting:</u> Talk to Mr South. Ideas put forward to Mr South on 17/1/25. Organise tree planting with Tania. Organised for 3/2/25 Speak to Mrs Black about the Curriculum Council's newspaper. The Year 6 members of the Environment Council have written a part for the newspaper. In today's meeting, we discussed the feedback from Mrs Matheou's discussing with Mr South. We are going to begin by implementing food waste bins within the school. The Environment Council have been tasked with researching this and creating posters to put around the school. We will also be delivering an assembly on this to educate the children around the school before we put the bins in the hall and on the playground.	Children to create posters for the school introducing the food waste bins. Mrs Matheou to begin creating a PowerPoint for the Environment Council's assembly.
