| <p>16/10/23</p> <p>School Lunch Menu -<br/>Pupil Voice</p> | <p>In today's meeting, we discussed parent feedback linked to school lunches. A parent had suggested that children should have more pupil voice linked to school lunches.</p> <p>The children discussed the following:</p> <ul style="list-style-type: none"> <li>• We agree that we should have a say about what we eat. We mostly eat packed lunch but we'd eat more school lunches if we were aware of/liked what was on the menu.</li> <li>• We like to know what's on the menu. Teachers could share this information at the end of each day and we could keep copies of the menu in the office for parents to take.</li> <li>• There should be suggestion slips (similar to the dojo shop) for children to write down their views.</li> <li>• We should have a suggestion box for children to put their slips of paper into.</li> <li>• At the end of each term, there should be the most popular meals each day.</li> <li>• We'd like more condiments on offer with our lunches (mayonnaise, barbeque sauce).</li> <li>• We need to communicate this with the kitchen staff so that they're aware and take our suggestions on board.</li> </ul> | <ul style="list-style-type: none"> <li>- Create a suggestion box</li> <li>- Create suggestion slips</li> <li>- School council representatives to share this information with their classes.</li> <li>- Share this with the kitchen staff.</li> <li>- Share this information with Mr South.</li> </ul> |
